

Chondel & Rabbit

HIGH PERFORMANCE SPECIALTY MACHINES WITH OUTSTANDING FEATURES AND RELIABILITY

CHONDEL / RABBIT — This is perhaps the most versatile trap in our line with two machines in one - a Chondel and Rabbit. Sharing many of the Sporter's heavy-duty components, this is the finest Chondel you can buy. It throws conventional clays just above the ground, as loopers, or as a true vertical teal (90°) and will also throw Rabbit targets along the ground, as loopers or as vertical teal. The speed of adjustment allows you to change your course design as often as you want.

- 300 target capacity
- Durable electrical control box with simple toggle on/off disarm and fire button
- Throws clays from a vertical throwing plate using a conventional aluminum arm
- Integral 2-wheel cart for ease of movement
- Midi carousel option
- Heavy duty electrical control box with thermal overload trip
- Simple method of tilting the machine for adjusting the throwing angles
- Lifetime warranty on the clutch and one-way bearing; 3 year warranty on all other parts

RANGER CHONDEL / RABBIT — We incorporated the Ranger's proven reliability into this low cost but high performance machine. Capable of throwing standard targets dome down, it provides unheard of target presentations which, until now, have only been possible with manual traps. This trap will throw conventional clays just above the ground, as loopers or up to 70° vertical. It also throws Rabbit targets along the ground, as loopers or up to 70° vertical. The speed of making these adjustment means clubs can change their course as often as they want.

- 300 target capacity
- Alloy and corrosion-protected parts for long lasting rust protection; Steel main-frame with hard blue polyester finish
- Aluminum throwing arm with Polyurethane strip
- Proven "Knife Edge" system to feed wet or frozen clays without failure
- Midi carousel option
- Simple set-up and throwing height adjustment
- Durable electrical control box with simple toggle on/off disarm and fire button
- Lifetime warranty on the clutch and one-way bearing; 3 year warranty on all other parts

OPTION	DESCRIPTION
Footswitch	Ideal for solo use as it allows the shooter to release targets while keeping both hands on the gun. It is a heavy duty unit designed to take field use.
Extension Cable	162' extension cable for increased distance between the shooter and trap.
Radio Release Systems	Say goodbye to trailing wires and allow for quick course changes. High efficiency units allow for wireless use of any Promatic launcher. Great for solo shooting. Short cable fits between the trap and a standard release, footswitch, or radio release. 2.5 second delay between pressing fire and the trap release.
Pro-Delay Cable	Press twice to get a following pair; up to 6 times for a mini flurry. Simple, waterproof, no batteries or wiring.
Cart	This 2 wheel cart with pin-hitch connection makes any sporting Promatic machine fully portable. Includes battery mount and 12" solid rubber tires.
Solar Panel	Harness the power of the sun to maintain the charge in your battery for continued shooting for days without the worry of the battery losing charge.
Transformer	Add our transformer to run your machine on either 110v electricity or 12v DC power.

Chondel & Rabbit

HIGH PERFORMANCE SPECIALTY MACHINES WITH OUTSTANDING FEATURES AND RELIABILITY

RABBIT - This trap is a commercial ground workhorse. Because a Rabbit tends to have a hard life (everybody wants to shoot them) , our box-frame design is incredibly robust, so it can be used continuously year after year.

This trap will consistently throw target after target for as long as you press the button. Because it is a pure Rabbit, it does the job exceptionally well, giving you a wonderfully-paced target presentation.

The speed of the target is controlled by a simple spring adjustment.

- Capacity - 300 targets
- Heavy-duty electrical control box with thermal overload trip
- Toggle on/off disarm and fire button
- Proven "Knife Edge" system to feed wet or frozen clays without failure
- Available in 12v DC or optional transformer for 110v electrical hook-up
- Lifetime warranty on the clutch and one-way bearing; 3 year warranty on all other parts
