- Includes AGM battery and Tender
- Optional solenoid for ISSF qualification
- 400 clay capacity, 8 column carousel
- Lifetime warranty on the clutch and one-way bearing; 3 year warranty on all other parts

HINTS AND TIPS CONTROLLERS

Say goodbye to trailing wires and allow for quick course changes. High efficiency units allow for wire-less use of any Promatic launcher. Add a target counting system to ensure you get paid for every target thrown. We offer Claymate Wi-Card systems for every shooting discipline.
